- Decision on the distribution of after-tax profit of 2024 and the dividend against the profit of 2024

Chairman of the Annual General Meeting: I present the motions and briefly summarize the reasoning given thereto.

With regard to the fact that the Company is a regulated real estate investment company as defined in Act CII of 2011 on Regulated Investment Companies (hereinafter: the REIT Act), the Company proposes, pursuant to paragraph c) of Section (3) of Article 3 of the REIT Act, that *the Annual General Meeting should approve the payment of dividend of an amount corresponding, as a minimum, to the expected amount and that such dividend should be paid, subject to approval, within 30 trading days from the approval of the accounting report, provided that if the amount of the retained cash of the regulated real estate investment company does not reach the amount of the expected dividend, then the management proposes the payment of at least 90% of the amount of retained cash as dividend.*

Taking into account the relevant provisions of the REIT Act, the Board of Directors proposes the payment of a dividend of HUF 5,974,072 thousand – corresponding to the expected dividend according to the REIT Act – from the disposable profit for the year and from the retained earnings generated in the current year, based on the Company's audited Separate Annual Financial Statements for 2024 prepared in accordance with International Financial Reporting Standards (IFRS) adopted by the European Union.

If the general meeting does not vote on the above dividend payment proposal, the Board of Directors, taking into account the Company's ongoing and planned developments, proposes the payment of a dividend of HUF 2,752,458,010, HUF 10 per share, from the disposable profit for the year and from the retained earnings generated in the current year, based on the Company's audited Separate Annual Financial Statements for 2024 prepared in accordance with International Financial Reporting Standards (IFRS) adopted by the European Union. During the above dividend calculation, the Company has already distributed the dividend on its own shares among the shareholders entitled to the dividend in proportion to the nominal value of their shares. The latter proposal of the Board of Directors, taking into

At the same time, the Board of Directors draws the attention of the Dear Shareholders that, in view of the ongoing and planned developments of the Company, the general meeting may decide not to pay dividends for the year 2024 for the purpose of creating reserves.

If the General Meeting of the Company decides to pay dividend, the Board of Directors shall publish a notice with the detailed conditions and process for the payment of the dividend after the general meeting. - ***amendment of the main business activity and other business activities of the Company due to The Hungarian Activity Classification (TEÁOR'25), which entered into force on 1 January 2025.***
- ***regulation of the waiver to be granted to the members of the Audit Committee***
- ***supplementation of the responsibilities and powers of the Audit Committee regarding to the legal provisions***

The Chairman of the Annual General Meeting presents the motions and briefly summarizes the reasoning given thereto.

In relation to the agenda item, the draft amendment of the Articles of Association in a unified structure is included in Annex 9 of the proposal, with the proposed amendments being highlighted in bold, italic and underlined.

The Company's principal office is currently located at 8-10 Polgár Street, 1033 Budapest, owned by the Company in the ratio of 8454/10000. The part of the real estate owned by the Company has been almost entirely utilized within the framework of rental agreements. For this reason, it becomes necessary to relocate the principal office to another, not fully utilized office building, in which office premises of a size appropriate for the location of the principal office are available. In view of this, the Board of Directors proposes the property at 57 Bajcsy Zsilinszky Street, 1065 Budapest, as the new principal office of the Company.

In relation to the above, the Board of Directors proposes the amendment of Section 1.2 of the Articles of Association as follows:

 dr. György Wellmann
 Chairman of the Annual General Meeting

 dr. Dóra Czibere
 Inspector of the Minutes

 dr. Anita Kalicz
 Secretary of the Annual General Meeting

"1.2. Principal office of the Company: 11065 Budapest, VI. kerület Bajcsy Zsilinszky út 57."

The general meeting approved the amendment of Section 1.2 of the Articles of Association as follows:

"1.2. Principal office of the Company: 11065 Budapest, VI. kerület Bajcsy Zsilinszky út 57."

The Hungarian Activity Classification (TEÁOR'25) system has been changed from 1 January 2025. TEÁOR'08, which has been in force since 2008, will be replaced by TEÁOR'25, subject to the amendment of Regulation (EC) No 1893/2006 of the European Parliament and of the Council by European Commission Regulation (EU) 2023/137. The structure and content of the new classification system, as well as the official translation key prepared by Eurostat between TEÁOR'08 and TEÁOR'25, are available at the Central Statistical Office.

Among other activities of organizations required to register, the National Tax and Customs Administration (hereinafter referred to as the "tax authority") amended the activities that can be clearly reclassified based on the translation key by January 31, 2025.

The new activity codes – whether those proposed or those changed by the organization by July 1, 2025 – must be entered in the articles of association when the organization modifies its other data kept in the company register. Considering that the change of the principal office will result the change in the company data of the Company, therefore, in accordance with Act V of 2006 on Company Publicity, Court Company Proceedings and Liquidation, Section 131. (3) of the Companies Act, it is also necessary to simultaneously define the activities in accordance with TEÁOR'25.

In connection with the above, the Board of Directors proposes to amend Sections 3 and 4 of the Articles of Association as follows:

"3. Main business activity of the Company: 6820'25 Rental and operating of own or leased real estate"

advisable to regulate its content and the consequences applied to the executives in the Articles of Incorporation.

“The shareholders’ meeting shall, at the same time as approving the statutory report, decide on granting a discharge to the audit committee members, establishing the adequacy of the audit committee activities carried out in the previous business year.
